The sanction of Government for acquiring 20 acres and 26 Gunthas of land in Unkal Village near Hubli, for the timber depot was sought for in this Office even No.da ted 7-11-60. The present timber depot is on the land belonging to the Police Department. This land is required by the Police Department for constructing the staff quarters etc. and that Department is pressing very much to vacate it.

2. The sanction of Government sought for in this Office even No.dated 7-11-60 is still awaited. The Divisional Forest Officer, E.D. Kanara has again informed me that he is required to shift the timber depot immediately as the Police Department is pressing very much. Besides he expects large stock of timber to be received in the Hubli timber depot from the in land timber depots before the rainy season. Afterwards it would go very much difficult to remove such large stock of timber from the present depot to the proposed site and it would be much more expensive.

3. This department has undertaken to supply the timber to the Railways and also to the Defence Department on a large scale. The timber from the in-land depots of Kirwathi and Mundgod is brought to Hubli depot for further despatches to the Consignees concerned. The sleepers produced in the E.D. Kanara and from certain areas in the W.D. Kanara and S.D. Kanara are also brought to Hubli depot for further despatches to the Railways. To accommodate the large stock of timber at Hubli, the proposed land is quite essential and it is required ur-

gently for the reasons stated above. I therefore request you to point out the urgency to the Honourable Minister for according the sanction sought for in the matter and issue the orders of Government urgently.

An amount of Rs. 50,000/- required for the acquisition of 20 acres and 26 gunthas has been provided for in the budget for the year 1963_64. The sanction of Government for the acquisition is badly needed as the further proceedings of acquisition of the land to be taken by the Revenue Department have been held up. The Police Department has been pressing very much to vocate the present timber depot premisses at Hubli.
